**ECO SMART®**

Earth friendly plastic that returns to nature®

Eco Smart containers by Federal Package are the ideal solution to meet your sustainability goals. This proprietary technology enables plastic components to break down in biologically active environments. The Eco Smart brand by Federal Package is a direct upgrade to our existing line of world class products with no change in form, fit, or function.

### Additional Capabilities

Federal Package is FDA registered and offers a full range of small container solutions that allow us to deliver a complete turnkey product for you:

- **Compounding & Filling:** We offer contract manufacturing services and can fill almost any lip balm or sunscreen product as well as many other types of containers
- **Decorating & Labeling:** We can work with you to create a specialty container look to help you stand out in the market
- **Blister Carding & Retail-Ready Packaging:** We can easily provide a retail-ready package for lip balm containers, sunscreen containers and much more, per your exact specifications
